

WINSON GREEN

Youngsters' healthy start

CHILDREN at an after-school club will be drinking healthily after being presented with 900 litres of pure fruit juice.

The Schoolfriend club, at St Patrick's Catholic Primary, in Dudley Road, Winson Green, has been given the Innocent pure fruit drink and some of the cartons will now be distributed to community centres in the area.

They are the Newtown Play Centre, Burberry Park Play Centre, Nechells Play Centre and Musgrave Road Play Centre.
